

This year's Golden Heart Awards is a celebration of the front-line staff whose dedication to our mission has been life-saving during the COVID-19 crisis. God's Love and our great friends at Michael Kors are thrilled to produce our event in partnership with some of New York City's finest restaurants. In light of social distancing practices, we'll gather in more intimate groups to support our friends within the hard hit restaurant community in lieu of a large traditional gala. Your support is crucial! Since March, God's Love has added 3,200 new clients and are now cooking and delivering more than 10,000 meals each weekday, a 25% increase. Here's how you can support:
