## Thank you for Joining Us at Love Rocks NYC!

The Beacon Theatre rocked on March 7 when an incredible lineup of rock, soul and blues stars came together to play the third annual **Love Rocks NYC**, our annual benefit concert, which raised an astonishing \$2.3 million dollars.

Co-produced by designer **John Varvatos** and top NYC real estate broker **Greg Williamson** with **Nicole Rechter** of UpperWest Music Group, the sold-out show was hosted by **Martin Short, Bill Murray, Kevin Bacon and Paul Shaffer**, and musically directed by **Will Lee**. The concert included spectacular performances by legends such as **Robert Plant, Ann and Nancy Wilson of Heart, Sheryl Crow, Buddy Guy, Billy F Gibbons, Taj Mahal, Keb Mo, Mavis Staples, Jimmie Vaughan** and **Bernie Williams**, along with dynamos such as **Hozier, Grace Potter, Marcus King, Doyle Bramhall II, Lukas Nelson, and Larkin Poe**. The evening concluded with all of the artists returning to the stage for a rousing group performance of **"Feelin Alright."**
