Young Hearts Friends Fest: *Ice Cream Social* Hosted by Nicky Hilton and Friends

4-5 p.m. Early Access

5-7 p.m. All Access

God's Love We Deliver is excited to launch our inaugural Young Hearts Friends Fest: Ice Cream Social with the youngest generation of God's Love. This is an opportunity for your family and friends to learn about and support our life-saving mission all while building community and creating a fun and memorable event with some of New York's most philanthropic families.

Our Friends Fest will feature delightful activations for kids and adults — face painting, balloon twists, a DJ, refreshments, birthday card decorating, and ice cream, of course!
