

Join our Client Community Advisory Board!

At God's Love We Deliver we strive to grow and change to meet our clients' needs. Our Client Community Advisory Board (CCAB) is made of clients, who along with volunteers and program staff, meet quarterly to share feedback, advise on program change and growth by providing client insight.

If you are a client who would like to engage with our program in the above ways, we invite you to join our CCAB! Meetings are held quarterly by Zoom on Thursday afternoons. If you're interested in joining our CCAB, please [complete this form](#) and someone will reach out to you to provide additional information. Thank you for your interest in our CCAB.
