Why Medically Tailored Meals?

Our meals help you achieve key outcomes in healthcare and the social determinants of health.

Our meals address:

- Severe and/or chronic illness

- Hospital discharges
- Weight loss
- Cognitive Impairment or serious mental illness
- Medically at-risk conditions
- General fatigue
- Difficulty chewing or swallowing
- Difficulty walking or getting around
- Difficulty shopping or cooking

Our RDNs and Executive Chef build each menu

Our menu is:

- Free of fillers and preservatives
- Nutritionally tailored to address specific health and illness goals
- Designed by our Registered Dietitian Nutritionists to be both nutritious and delicious
- Research-proven to improve the health and well-being of members

We're here to help!

Learn more about:

- Our menu
- Research backing medically tailored meals
- Our nutrition team's publications
- How medically tailored meals support the health and well-being of your members
