

Easy, Healthy, Delicious, and Tailored for You

At God's Love We Deliver, we believe that no one should have to suffer the dual crises of hunger and illness, and that proper nutrition is vital to improving the health and well-being of the body and mind.

Since 1985, we have prepared and delivered food to people who are too sick to shop or cook for themselves. We serve men, women, and children living with HIV/AIDS, cancer, Alzheimer's Disease, ALS, Parkinson's disease and other life-altering illness throughout the five boroughs of New York City, Westchester and Nassau Counties, and Hudson County, NJ.
