

Community Based Organizations

Looking to establish a robust partnership with a CBO like God's Love? We are too!

Since our founding more than thirty years ago, God's Love We Deliver has partnered with other community-based organizations throughout the city to provide comprehensive medical and social service support to our clients.

We have over one hundred partnerships that facilitate quick and easy enrollment and referrals to any number of service needs our clients may have.

These partnerships assist both organizations to have comprehensive referral partners and to look at new ways to work together to improve services for our clients.
