

## **Dress Code and Food Safety**

Following our dress code is a critical component of food safety for yourself and for our clients. For all kitchen and meal kit assembly shifts, note that head, shoulders, knees and toes must be covered. All Fitbits, watches, and bracelets must be removed. If you have any questions or concerns, please email our volunteer team at [volunteer@glwd.org](mailto:volunteer@glwd.org).

**Please note that masks are required during all volunteer shifts at this time.**
