Alexander Berlucchi is an associate in the Firm's corporate and healthcare practices. He focuses on assisting clients with matters related to healthcare law, corporate law, mergers and acquisitions and labor law issues. Mr. Berlucchi assists a variety of healthcare clients with compliance issues, including providing regulatory compliance advice on the federal Anti-Kickback Statute, the Stark Law, the Civil Monetary Penalties Law and HIPAA. Mr. Berlucchi prepares formation and operating structure agreements for health care organizations and physicians. He also provides guidance on fiduciary duties, healthcare compliance and corporate governance matters.

Mr. Berlucchi is a graduate of The University of Scranton and Syracuse University College of Law, where he served as Editor-in-Chief for the *Syracuse Law Review*. He also received a Master of Health Administration from Pennsylvania State University, Harrisburg Campus.
