Jeremy practices in the areas of corporate law, corporate finance, mergers and acquisitions and securities law. He represents early stage, emerging growth and middle market companies - primarily in the technology and life science industries – on their capital raising activities (equity and convertible debt financings and commercial loan

transactions), general corporate matters (corporate governance, commercial contracts and other day-to-day business issues) and exit transactions (mergers and acquisitions). He also represents investors who invest in these sorts of companies.
