Randy Fletcher is a corporate attorney and CPA whose practice includes the sale and acquisition of business entities, financing of business entities, taxation of business transactions and general corporate representation.

A significant portion of Randy's practice involves mergers and acquisitions, including negotiating, structure, tax aspects and documenting such transactions. He assists entities in their formation and in raising capital through debt or private placements. Randy is also involved in general corporation representation and has experience in negotiating and documenting aircraft sales and acquisitions.

Randy assists entities in their formation and in raising capital through debt or private placements. In addition to his business practice, Randy practices commercial real estate, including property acquisitions, financing, and leasing.
