

Appellate Litigation

Since the firm's inception in 1952, Manning Fulton attorneys have handled appeals of trial court decisions to federal and state courts of appeal, including the United States Supreme Court, the Fourth Circuit Court of Appeals, the North Carolina Supreme Court, and the North Carolina Court of Appeals.

Our team of attorneys is well qualified to handle the unique nuances of pursuing an appeal to either support the result obtained at the trial court level or to seek relief from that result. Manning Fulton attorneys have over 275 published opinions with the federal and state court reporters.

There simply is no other firm in North Carolina with such a rich and varied history of appellate work under the same firm name for more than 65 years.
