Raleigh, N.C. (January 5, 2023) – Smith Debnam today announced that attorney Tomomi Atamas was named to North Carolina Lawyers Weekly’s “Power List” for excellence in Family Law. The list recognizes family law attorneys known for going the extra mile to ensure a successful litigation process for their family law clients.

A graduate of Harvard Law School, former Lehman Brothers investment banker, and former Wall Street securities lawyer, Atamas represents clients in all areas of family law, including separation and divorce, equitable distribution, alimony, post-separation support, child custody, child support, prenuptial agreements, and domestic violence.

“I seek to produce the highest quality work possible and perform at the highest level possible for every client,” Atamas says. “Although no lawyer can guarantee any particular outcome, what I guarantee my clients is 100 percent devotion to their case.”

Before joining Smith Debnam, Atamas practiced family law at The Doyle Law Group in Raleigh, North Carolina. She began her legal career as a securities lawyer in Manhattan. She then lived in Tokyo as a stay-at-home mom before moving to Raleigh in 2016.

Atamas is licensed to practice law in North Carolina and New York. She earned her B.A. *magna cum laude* from Brown University and her J.D. from Harvard Law School.
