

Corporate & Finance

Tuggle Duggins attorneys have the knowledge and experience to help our clients identify and solve the complex issues they face as business leaders. Our interdisciplinary approach allows us to effectively combine practical business advice with a specialized knowledge of how your business could be impacted by regulatory, estate, tax, employee benefits and bankruptcy issues. Our team works with clients from every sector of the economy and at every stage of the enterprise: from the initial startup and formation, to the growth and expansion of the business, and finally to the sale or liquidation of the business. We take pride in providing creative, cost effective and sound solutions to our clients' business needs and cherish the long-term relationships we have built over the years.
