

Acquisitions, Sales, Contract Drafting & Negotiation

Our attorneys have extensive experience in all aspects of commercial real estate transactions, including contract negotiations, contract drafting, leases, the acquisition and sale of real estate and financing. Our services include assisting clients with conducting and analyzing the results of due diligence regarding the suitability of the real property for the client's needs, assisting clients in working out troubled assets on sophisticated transactions, and structuring various types of complex real estate transactions.

Our services also include reviewing, negotiating, and drafting contracts for owners, developers, contractors, subcontractors, property managers and design professionals.
