

Fore! Ward and Smith Sponsors Wilmington Business Development Membership Invitational Golf Tournament

July 27, 2020

Golfers will hit the links this week in support of economic development in the Cape Fear Region, and for a little friendly competition.

The Wilmington Business Development is hosting its annual Membership Invitational Golf Tournament on Wednesday, July 29, at the River Landing Country Club.

This is a one-of-a-kind networking and fellowship event that brings business and community leaders together. Ward and Smith is proud to be a sponsor of the annual tournament.

The Wilmington Business Development is a private, not-for-profit organization that helps companies expand or relocate to Wilmington and surrounding areas.
