

Fore! WBD Membership Invitational Golf Tournament

May 2, 2019

Golf is perhaps the only sport where business and fun can collide.

And that is precisely what will happen on Wednesday, May 8 at the Wilmington Business Development Membership Invitational Golf Tournament. It will be held at the River Landing Country Club in Wallace, North Carolina. Ward and Smith is proud to return as a sponsor.

The not-for-profit organization holds the tournament every year in support for economic development in the region. It's also a one-of-a-kind networking and fellowship event for business and community leaders.

Wilmington Business Development's mission is to promote a diversified regional economy through the retention and growth of existing employers and the recruitment of responsible business investment.
