### **Summer is winding down, and so is Leadership Asheville's Summer Buzz Breakfast Series.**

The final one will be held on Wednesday, August 14 at the Crowne Plaza Hotel Expo Center in Asheville. Doors open at 8 a.m. for breakfast and networking. The program begins at 8:30. Ward and Smith is proud to be a presenting sponsor.

The theme for the 2019 Buzz Breakfasts has centered around defining what a connected community is, and how to build one. The final event will focus on the future. Community leaders, such as the UNC Asheville Chancellor Nancy Cable, Asheville City Manager Debra Campbell, and others, will discuss the visions for their connected community.

Tickets are \$25 per person and can be purchased [here](#).
