## **Electric cars, automated vehicles, ridesharing, and drones, oh my!**

The final Greenville-Pitt County Chamber Power Luncheon of 2019 is sure to get your motor running. Representatives from NC Go and the NC FIRST Commission will be on hand to talk about sweeping transportation changes already underway in our state, how we fund our transportation

system, and critical transportation projects in Pitt County.

The Power Luncheon, sponsored by Ward and Smith, will be held on Tuesday, December 10, from noon to 1 p.m. at the Hilton Greenville. Tickets are \$20 for Chamber members and just \$10 more for non-members. Visit <https://www.greenvillenc.org/events/december-power-luncheon-2019/>, to register, and RSVP by December 9.
