

FORE! Ward and Smith Sponsors 2021 WIMCO Charitable Foundation Golf Tournament

May 27, 2021

Golfers will tee off on Monday, June 7, for a great cause, the 3rd Annual WIMCO Charitable Foundation Golf Tournament.

Ward and Smith is a proud sponsor of the annual event, which benefits three incredible charities: Aces for Autism, Combat Warriors, and The Kelly Children's Home. All funds

raised will be divided three ways and donated to each of the mentioned causes.

In 2019, the tournament raised nearly \$59,000. Organizers are aiming to top that this year, and they're on their way. The Team Sponsor package, which was for the actual gameplay, is sold out. However, you can still donate. WIMCO has three levels of sponsorship for non-participation. [Click here](#) to learn more about which one will work for you.
