

Get into the Holiday Spirit with the 2022 Festival of Trees

November 22, 2022

The 2022 Festival of Trees is a festive celebration you don't want to miss, and we're a proud sponsor!

Gather your family and friends for some holiday cheer at this one-of-a-kind event that runs through Monday, January 2, 2023, at the North Carolina Aquarium at Fort Fisher.

Fifty-four glittering trees decorated by local businesses, various organizations, and individual artists transform the

Aquarium into an enchanted forest for all to enjoy.

Touring the Festival of Trees is complimentary with a purchase of a general admission ticket to the Aquarium. Tickets must be purchased in advance.

Reserve your tickets.
