

Get Ready to Golf for a Great Cause

October 13, 2020

Golfers will hit the links this weekend for the 20th Annual CarolinaEast Cup Fundraising Golf Tournament, hosted by the Pamlico Community College Foundation.

This popular event usually takes place in May but was delayed this year because of COVID-19. Organizers have put safety measures in place to reduce the risk of

spreading the virus, including requiring masks in large groups, social distancing, and staggering tee times.

On Saturday, October 17, the tournament will take place at the Minnesott Beach Yacht, Golf & Country Club. Ward and Smith is a proud sponsor.
