

Kristin Mitcham and Allen Trask to Speak at the Fidelity National Title Insurance Company Hemp Virtual CLE

June 1, 2022

With so many changes in the legal landscape of hemp and cannabis over recent years, it is no wonder that real estate markets have been impacted.

Attorneys Kristin Mitcham and Allen Trask will speak virtually at a Hemp Law CLE for real property lawyers on June 7 at noon. This is a one-hour introductory class on the

hemp rules and regulations as they intersect with real estate. The online event is hosted for free by the Fidelity National Title Insurance Company as part of the company's service to real property attorneys across North Carolina.
