### **There's more than just bragging rights on the line at the 6th annual Shoot for a Cure.**

The sporting clays shooting competition, hosted by T.A. Loving Company, aims to raise awareness and money for cancer research. In addition to testing their skills at sporting clays shooting, attendees will have a chance to win prizes through raffles, and bid on items at the silent

auction. Proceeds will benefit several charities including the American Cancer Society's Relay for Life, Vidant Cancer Center, and Cures for the Color.

The annual fundraiser will be held Friday, April 26 at the Rose Hill Plantation in Nashville, North Carolina. Ward and Smith is proud to sponsor Shoot for a Cure.
