# Tyler Russell to Speak at the 2022 Industrial Hemp Summit

---

February 17, 2022

---

**Hemp law attorney Tyler Russell will be part of a panel discussion on the state of the hemp industry at the 2022 Industrial Hemp Summit.**

He will be joined by Rend Al-Mondhiry with Amin Talati Wasserman, LLP, Rod Kight of Kight Law Firm, and Jonathan Miller, Frost BrownTodd, LLC for their 90-

minute presentation on Monday, February 28, on current legal trends in the hemp industry.

Their program is one of many educational sessions taking part over the two-day conference, which is a multi-stakeholder collaboration focused on building the industrial hemp industry in the U.S. The Summit, now in its 5th year, is designed to bring people together to create new conversations, connections, and collaborations in industrial hemp.

The 2022 Industrial Hemp Summit will be held at the North Carolina Biotechnology Center in the Research Triangle Park. For more information about the event, including viewing the full agenda and registering, visit the Industrial Hemp Summit.
