August 23, 2024

**Attention all in-house counsel! It's time to mark your calendars and get your game faces on because Ward and Smith's 2024 In-House Counsel Seminar is on Friday, November 22.**

This isn't just another seminar—it's a master class in strategy that's designed to equip you with the insights and tactics you need to stay ahead of the game. The one-day event at the scenic Umstead Hotel & Spa in Cary, NC, is packed with sessions covering artificial intelligence, labor and employment topics, and government updates and featuring an in-house counsel panel.

Just like any high-stakes game, space is limited. Ensure your spot on the roster by pre-registering today for FREE. We're also working on securing pre-approval for 4.5 hours of CLE credit, so you can earn while you learn.

More information, including a full agenda and speaker lineup, will be announced by October 4.
