

Ward and Smith Attorneys and Staff Serve at NCBA's 4All Statewide Service Day

March 3, 2017

Several Ward and Smith attorneys and staff played a role in today's successful Statewide Service Day, an annual event by the North Carolina Bar Association.

This year, Ward and Smith paralegal Stephanie Crosby served as one of the location co-chairs for the Greenville site. There are several photos of the event on our Facebook page.

We appreciate everyone who served!
