October 19, 2016

Ward and Smith, P.A. is proud to sponsor The March of Dimes North Carolina Signature Chefs Auction on Thursday, October 21 at the Greenville Convention Center.

Organizers are asking those attending to bring one item to help out flood victims in the Greenville area. WITN anchor Dave Jordan will serve as emcee.

More than 15 million babies are born prematurely each year. The March of Dimes works to raise money for research, education, and support to help those little ones and their families.
