

Ward and Smith, P.A. Sponsors New Bern Heart Ball

February 9, 2017

Ward and Smith, P.A. is pleased to sponsor the 2017 New Bern Heart Ball taking place on Saturday, February 18 at the New Bern Riverfront Convention Center.

A New Bern tradition for over twenty years, the Heart Ball celebrates advances in the fight against heart disease & stroke in the Craven, Jones, and Pamlico communities.

The 2017 Heart Ball promises to be an engaging evening of fun and passion bringing community and philanthropic

leaders together. Last year, the American Heart Association Heart Ball campaign raised just over \$51 million nation-wide allowing us to fund over \$123 million of research and programs across the country and in your community.

Additional information is available on the event website.
