**The coronavirus pandemic may have changed the venue, but it has not stopped the 2021 New Bern Heart Ball.**

The annual event has moved digitally this year as organizers adjust to unprecedented times. Instead of a night of dancing, people can bid on items such as vacation destination packages, gym memberships, and artwork. As proud sponsors of the event, we're also thrilled to offer our

trusts and estates planning services. People can bid on our Essentials Package, which offers five key estate planning documents: Last Will and Testament, Durable Power of Attorney, Health Care Power of Attorney Living Will, and HIPAA Authorization.

The auction opens at 8 a.m. on January 26 and will conclude on January 29. [Click here](#) for more information.
