Best Lawyers® is recognizing two Ward and Smith attorneys as 2022 'Lawyer of the Year.'

This recognition is awarded to individual lawyers with the highest overall peer-feedback for a specific practice area and geographic region. Only one attorney from each specialty and location can be named "Lawyer of the Year," making this a significant accolade. The Ward and Smith

attorneys named are:

Zac Lamb

Trusts and Estates

Knox Proctor

Corporate Law

In addition to these rankings, *Best Lawyers*® also recognized nearly half of Ward and Smith's attorneys in the 2022 edition of "Best Lawyers in America." You can read all about it [here](#).

Released annually since 1983, *Best Lawyers*® highlights the most accomplished and highly acclaimed legal practitioners in their respective practice areas. It's universally regarded as one of the most respected and trusted attorney rating services in the country. The recognition is based entirely on peer review, and the publication's methodology is designed to capture the consensus opinion of leading lawyers about the professional abilities of their colleagues, as accurately as possible.
