

As a full service law firm, we are in a unique position to provide legal service to group and solo practices on a multitude of issues. Have a human resources issue? Our labor and employment group can provide guidance. Need assistance with business succession and estate tax planning? We have trusts and estates attorneys skilled in these areas. Facing a False Claim Act investigation? Our white collar defense team can assist with these and other civil issues health care providers may face.

With our team approach and goal to match any legal issue with the right attorney in our firm, we can assist physician's practices with any type of legal need that can and does arise. Call any of our health care attorneys today at (800) 998-1102 to learn more about how we can assist you.
