M.A., American History, East Carolina University, 1996

B.S., Political Science, East Carolina University, 1994

Professional Experience

Jonathan is the firm's Senior Government Relations Advisor. He coordinates state and federal government relations within the firm, and provides strategic government relations and lobbying advice to clients. He has more than 20 years experience in North Carolina politics at the state and federal level. Jonathan previously served as a political finance consultant to U.S. Senators, The National Republican Senatorial Committee, the Republican Governors Association, and numerous independent expenditure efforts.
