

David P. Creekman

Attorney

Bio

David is a member of the firm's M&A and capital markets practice groups. He focuses primarily on transactions for public and private companies and private equity clients, including acquisitions, divestitures, and control investments. David also represents investors and companies in corporate finance transactions, securities law, and general business matters. David has experience in representing businesses in a range of industries, including software and technology, life sciences, healthcare, medical devices, and government contracting. Prior to joining the firm in 2008, David practiced with a multinational law firm.

David received his B.A., summa cum laude, from Duke University and his J.D., cum laude, from New York University School of Law. Before transferring to NYU, he attended Harvard Law School where he was an editor of the *Journal of Law and Public Policy*.
