
Allen and McCauley present at Workers' Compensation CLE

NEWS | SEPTEMBER 30, 2014

Lori M. Allen and Natalie McCauley presented “The Life of a Workers’ Compensation Claim” at a CLE for the NCBA on September 30th. Lori and Natalie discussed the history of the North Carolina Workers’ Compensation Act, how the NC statutes and case law define and interpret injuries by accident, specific traumatic events and occupational diseases, management of the forms involved in a Workers’ Compensation claim, investigation and discovery practices and preparation for a hearing.
