# deRosset Co-Chairs International Construction Conference

NEWS | JULY 12, 2018

Young Moore attorney Robert C. deRosset is Co-Chairing the upcoming ALFA International Construction Conference set for July 25 – 27, 2018 in Alberta, Canada. The theme of the three-day event, *Building a Better International Mousetrap*, stems from a phrase, attributed to Ralph Waldo Emerson, that has become a metaphor for the power of innovation – “Build a better mousetrap, and the world will beat a path to your door.” The conference features 17 panels presenting on cutting edge issues facing the construction industry such as cyber security, contract developments, and insurance issues. Firm attorney, Jay P. Tobin, is also participating in the conference.

deRosset serves clients primarily in the fields of construction, business, and product liability law. He is fluent in Spanish and licensed to practice law in both North Carolina and South Carolina. Tobin represents clients in matters involving construction, education, commercial and business litigation, and cargo and transportation. He is Immediate Past Chair of the Construction Section of the North Carolina Association of Defense Attorneys
