
McCullough Presents “HIPAA and HITECH: Who Cares?”

NEWS | APRIL 1, 2014

Elizabeth P. McCullough recently presented on the new HIPAA law changes to multiple offices of a large ENT practice. Elizabeth presented “HIPAA and HITECH: Who cares?” This presentation discussed how HIPAA and HITECH laws should be practically applied in the health care setting, how to avoid a breach, and the new risk assessment protocol used when a breach occurs. The presentation also included a discussion of the most relevant changes to HIPAA that occurred in September of last year. Elizabeth is available to present this information to health care providers in North Carolina. For more information, please contact Elizabeth at 919-861-5071.
